NEW YEAR BRINGS SENSE OF RENEWAL FOR ALABAMA ALPHA

~ A SPECIAL THANK-YOU TO ANNUAL CAMPAIGN
CONTRIBUTORS FOR DONATING \$13,000 ~

~ ALUMNI ENCOURAGED TO STAY ACTIVE WITH PHI KAPPA PSI ~

CHAPTER RETREAT MEANINGFUL FOR ACTIVE BROTHERS

This new year is off to a fast start for Alabama Alpha. We began the semester with a Chapter retreat to Camp Sumatanga on January 5-6. Brothers **Tryon Hubbard '64**, **Freddie Stakes '66**, **Fred Clay '67**, **Jay Masingill '68**, **Mark Dixon '83**, **Boyden Moore '89**, **John Adam Page '05**, **Harrigan Clay '04**, and I joined the Chapter for dinner on the first evening and conveyed to the members why the Fraternity is so special to us even after graduation. The men worked very hard during the two-day retreat and left with a renewed sense of excitement and passion for our brotherhood.

FINANCIAL CONTRIBUTIONS IMPORTANT FOR THE FUTURE OF PHI KAPPA PSI

I want to thank the many brothers who support us financially through our annual campaign, Alabama Alpha's Sustaining Membership Program. Forty-three generous brothers raised nearly \$13,000 in 2008. Contributions made to our campaign have been used to make many of the renovations and improvements to the Chapter House that you see (and many you can't see) when visiting. Most of the facility upgrades and much of the programming that we offer to our undergraduate members could not be supported by the Chapter alone, which is why your support is so vital in permitting us to offer a well-maintained facility and a program that is attractive to future Phi Psis.

ways to support the Chapter with your time, as well. Several alumni have stepped forward to volunteer—some having a formal title and others simply finding a task that needs to be done. Please consider helping the Chapter through service projects, giving a recruitment recommendation, providing career counseling for graduating seniors, participating at a local alumni gathering, or mentoring an undergraduate. If you would like to volunteer, please contact me at the information below or contact Jay Masingill at (205) 247-3565 or jay@ogb.state.al.us.

As we embark on this new year, reflect on all that Phi Psi has given you and pledge to do at least one thing in 2009 to give back. Happy New Year!

Another Busy Year for Phi Kappa Psi

~ CHAPTER BENEFITS BOYS AND GIRLS CLUB, HABITAT FOR HUMANITY, AND MUSCULAR DYSTROPHY ASSOCIATION ~
 ~ OUTLINED GOALS MOTIVATE ALABAMA ALPHA BROTHERS ~

BROTHERS GIVE BACK AND SERVE THE TUSCALOOSA COMMUNITY

Last semester was a very busy one and the active brothers are upholding the fine tradition of Alabama Alpha. The Chapter as a whole completed nearly 500 community service hours in the past year, benefiting organizations such as the West Alabama Boys and Girls Club, Habitat for Humanity, and the Muscular Dystrophy Association. Being able to help such organizations opened our eyes to the difference that we can truly make as brothers.

ACTIVE MEMBERS ATTEND RETREAT AND SET GOALS FOR SEMESTER

Nine young men joined the brotherhood of Phi Kappa Psi January 4, and on January 5-6 the members headed to Camp Sumatanga in Gallant, Alabama, to discuss the Chapter's

goals for this semester. With the help of UA Director of Greek Affairs Gentry McCreary, we identified key issues and discussed them at length with the Greek Life staff, national staff, and key Alabama Alpha alumni. The Chapter has set four specific goals that we plan to obtain by the end of this semester:

- Cumulative Chapter G.P.A. of 3.0
- Have all Chapter members involved with an on-campus organization
- Have at least 500 Chapter community service hours
- Have full member participation and attendance at Chapter events

BROTHERS BELIEVE IN CHAPTER'S SUCCESS

By reaching these goals, we believe Alabama Alpha will be one of the most successful fraternities at The University of Alabama. We are at a point where change is necessary for the future of our Fraternity. We hold the success of the Chapter in our hands, and with the current undergraduate members, I feel the sky is the limit for the Alabama Alpha Chapter of Phi Kappa Psi.

A SPECIAL THANK-YOU TO ALUMNI
 I would like to thank **Fred Clay '67**, **Jay Masingill '68**, and **Shannon Price '88** for their selfless service to the Chapter. I would also like to thank all of the alumni who have become involved with the Chapter's success. We thoroughly enjoyed seeing many of you

Peyton Harris '07 and Mark Gilbride '07 cheer on Crimson Tide at a home football game. Active members enjoyed spending time with numerous alumni who attended the tailgating event on Alabama Alpha's front lawn during every home football game.

who attended our past tailgating events and hope more will join us for the next one. A special thank-you goes out to **John Adam Page '05** and **Andrew Watson '95** for all of their time in making these event so memorable. I encourage all alumni to come see Alabama Alpha's progress and the traditions you have left behind. I have no doubt this semester will be one of the best and set the standard for years to follow.

ALABAMA ALPHA'S ONLY CRIMSON TIDE FOOTBALL LETTERMAN

Alumnus Spotlight—Chris Costigan '86

BY TRYON HUBBARD '64

Chris Costigan '86 had never seen the UA campus when he arrived from California ready to begin college. His decision to attend was influenced by his father who said, "The University of Alabama feels like a real college campus, not a school built around a city, but a town built around a University." Upon meeting Chris, **John Higginbottom '83** and **Dave Owsley '83** encouraged him to join the Chapter. From the warm welcome he received and the family influence from his older Phi Psi brother, Chris quickly joined the ranks of Alabama Alpha.

Chris Costigan's decision to attend UA was influenced by his father who said, "The University of Alabama feels like a real college campus, not a school built around a city, but a town built around a University."

After graduating in 1990, Chris ventured to the University of Pacific in Sacramento to obtain a law degree—the first student in his class to be admitted to the state bar. While in Sacramento, he was accepted into the U.S. Navy Judge Advocate's General Corps and after graduation was sent to the U.S. Naval Justice School in Rhode Island. His first tour was in Guam, serving as defense counsel and eventually senior trial counsel.

After returning to the U.S. to serve as a staff judge advocate for a Naval Special Warfare Command, he secured a job in Australia with Pfizer's corporate affairs department. He quickly learned about Australia's politics, rugby, rules for football (which he remembers watching in the Ramsey Room with fellow Phi Psis), and settled into the Australian lifestyle. Chris played football for Crimson Tide as an undergraduate and played in Australia as a starting wide receiver for the American Gridiron.

After spending eight years in Australia, Chris moved to New York and had the fortunate opportunity to reestablish close contact with

many Phi Psi brothers. "It was like old times and coming home again," he said. After a year, Chris returned to Australia and was promoted to regional senior director for Pfizer, eventually relocating to Hong Kong.

"I have seen more places and sights than I ever thought I would. I have been very fortunate. Throughout my travels, I often am asked about the 'big ring' that I wear. I explain to people that it is an SEC championship ring from UA's football team. No matter where I am, the people that ask are always amazed when I tell them how big Bryant-Denny Stadium is and that it was built for a 'university football team.' They cannot believe the stadium seats more people than the population of Tuscaloosa," he said. Chris spent Christmas cheering on the Tide in Tuscany and welcomes all of his brothers

to visit him in Hong Kong. Contact Brother Costigan via e-mail at christopher.costigan@pfizer.com.

EXECUTIVE COUNCIL APPOINTS NEW DIRECTOR OF SCHOLARSHIP

Phi Psi Welcomes Dr. Walter G. Hopkins III '64

BY TRYON HUBBARD '64

The Executive Council of Phi Kappa Psi confirmed the appointment of **Dr. Walter G. Hopkins III '64** as director of scholarship for the Fraternity. Better known as Gary, or to a few as Hoppy, he readily agreed to apply his lifetime career of college education to improving the scholarship of all chapters.

Gary received a bachelor of science degree in electrical engineering in 1964 and later obtained his master of science degree. He married Rosemary Bishop of Birmingham, Alabama, and they moved to Auburn so Gary could work on his Ph.D. in electrical engineering.

After a short stint with Lockheed Missiles and Space Company in Huntsville, Alabama,

Gary began his teaching career. His first five years of teaching were spent at Alabama A&M University, and then he taught for the University of Petroleum and Minerals in Dhahran, Saudi Arabia, then at the Capstone, and lastly, at Northern Arizona University in Flagstaff.

Gary and Rosemary have three children: Melissa, Cassandra, and Walter G. "Buddy" IV, and are the proud grandparents of six

granddaughters and seven grandsons. Gary has retired from teaching and enjoys racquetball, being a AM radio operator (Amateur Extra licensee AC7IW), a life senior member of the IEEE, and an active member of the Flagstaff Rotary Club. He and Rosemary also completed a two-year mission as members of the Church of Jesus Christ of Latter-day Saints.

Dr. Walter G. Hopkins III '64 has readily agreed to apply his lifetime career of college education to improving the scholarship of all chapters.

Alumni and Undergraduates Strengthen Brotherhood Bond

*Game Day Memories Created
During Successful Tailgating Experience*
RESERVE YOUR TENT LOCATION BY JUNE 1

After canvassing a number of our alumni who were tailgating at various locations around campus, the Fraternity determined that there was sufficient interest to offer alumni the opportunity to participate in a tailgate operation on Alabama Alpha's front lawn. Many alumni told us they enjoyed tailgating but were tired of hauling and setting up necessary tailgating equipment, arriving early to get a good location, and not being able to park near their tailgating location.

Last fall, the Phi Psi Tailgate Club was born, generously helping fund the tailgate experience. The visibility and activity surrounding our tailgate operation resulted in more alumni stopping by the Chapter House during football season, which greatly enhanced the game-day atmosphere for our actives, alumni, and guests.

Back by popular demand, we are proud to announce the Fraternity is once again offering alumni reserved tent space for tailgating on the front lawn nearest the Phi Delta Theta house. Our tailgating experience provides a great opportunity for alumni to have a reserved tailgating area to socialize with friends and families before and after every home football game.

The Phi Psi alumni tailgate experience includes:

- One 10 x 10 tent with eight tailgating chairs and one six-foot folding table
- One parking space for each tent space reserved in the Fraternity parking lot
- Use of adjacent 20 x 30 tent with two big screen high-definition televisions and seating for game watching
- A meal for eight served in the Fraternity courtyard before the game (additional meals can be purchased for \$5)
