Phi Kappa Psi— Alabama Alpha

Issue: Fall 2010

## FALL 2010 UPDATE

**A publication of the  
Alumni/Public Relations  
committee of Alabama  
Alpha**

It's been an amazing year so far at Alabama Alpha. Our collective vision is to increase the overall GPA of the chapter, while doing our part to improve the local community – and we're proud of our efforts to make it a reality.

We've paired brothers who excel in certain majors with those in need

of a little extra help, and we set up a car wash to raise several hundred dollars for the Easter Seals Foundation so that underprivileged kids in our area will have a better holiday season. We also partnered with Alpha Omicron Pi to share dinner, a little dancing, and a lot of fun with the residents of Pine Valley Retirement Community at our 3rd annual party there.

Yet while our focus remains to support academics and help better the surrounding area, our priority remains to foster and expand the brotherhood that brought us together in the first place. While the Crimson Tide's football program has had its ups and downs, our tailgate operation for home games has been a wonderful success. It's been a great opportunity for undergrads to meet with alumni and make lifelong relationships and connections, and we hope that these "reunion" Saturdays continue to grow beyond the football season.

The first step toward that is our new mentoring program in which we pair alumni in certain industries with undergraduates who are pursuing similar careers. We believe this interaction and exchange of successful ideas from those currently in business with the newest and latest concepts we're learning at the University will bring mutual success to everyone that participates. Contact Collier Meyer at [collier1219@gmail.com](mailto:collier1219@gmail.com) for more details.

Meanwhile, while this has already been an incredible year, we know the best is yet to come. Keep up to date with all that we're doing at [www.phipsiala.com](http://www.phipsiala.com) and [twitter.com/PhiPsiAla](https://twitter.com/PhiPsiAla)
